MILENKA

A close-up photograph of a leaf, showing a dense network of veins in shades of orange, red, and yellow. The veins are prominent and create a complex, grid-like pattern across the leaf's surface. The overall color palette is warm and autumnal.

Choszczno

A close-up photograph of a leaf, showing its intricate vein structure. The leaf's color is a mix of warm tones, including bright yellow, orange, and deep red. The veins are clearly visible, creating a complex, grid-like pattern across the surface. In the center of the image, the word "Lis" is written in a large, bold, black, sans-serif font. The letters are solid black and stand out prominently against the textured, multi-colored background of the leaf. The overall composition is centered and balanced, with the text acting as the primary focal point.
